

FXU SSHH CAMPAIGN 2009

As your SU, we don't want to stop you having a wicked night out. But, when you're doing so, please respect the local residents. They don't want to be woken up at anti-social hours. When you are older - will you want the same?

PLEASE RESPECT THE AREA YOU ARE USING

KEEP NOISE DOWN

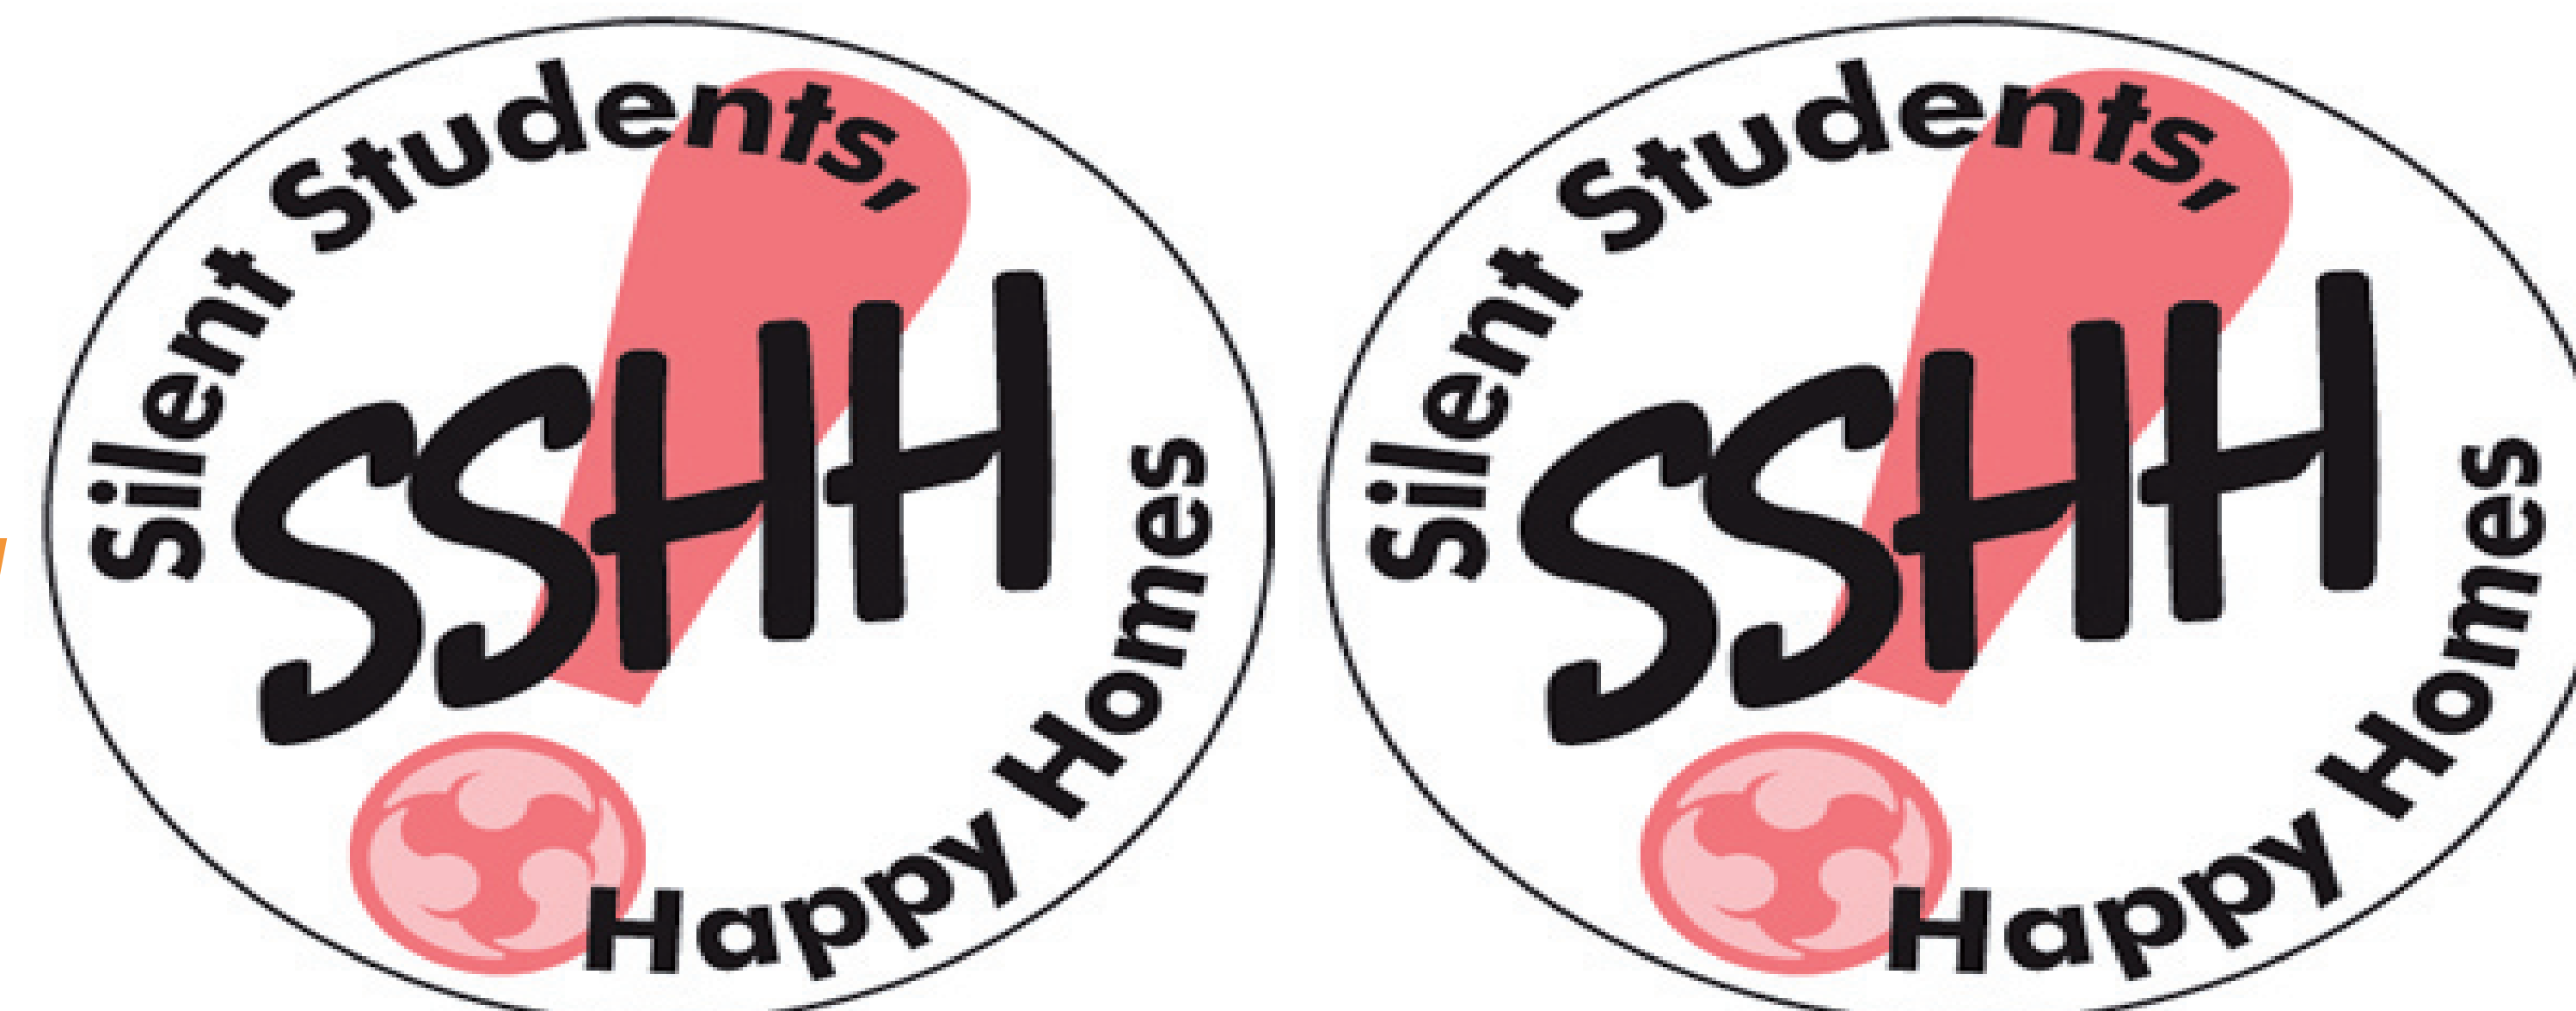

**FXU are hosting SSHH week
 SILENT STUDENT HAPPY HOMES**

No, we're not boring people! We're raising awareness of troubles in the local community to you.

We get complaints about drunken student noise, and we, as FXU respect the community. Hopefully you do to?

After the party ends - please keep noise levels down when going home, and finish the party at the party!

**Would you sing your head off at 10am?
 Would you shout your conversation at 10am?
 Would you have a house party at 10am?**

Probably not! So why do any of these at 3am?

**Alcohol changes your mental state - please think of others when you're drunk.
 They are sober, and won't appreciate you having a good time!**

Please respect the Local Community
