

VOTE!

JAMIE CLARK

FOR FALMOUTH PRESIDENT

About me:

I'm 21 and in my final year studying Photography. In my spare time I love to play sports and socialise, and generally have a good laugh with everyone.

Why vote me:

During my three years at Falmouth I have seen the University undergo huge changes, despite these I have also seen many things that I feel need to be improved to make your student experience even more enjoyable and worthwhile.

As president I will ensure that I am extremely approachable and always available if students have an issue they want to discuss!!!

If you have any questions please feel free to come and ask me!
