

VOTE KALILA STOREY FOR FXU

PRESIDENT UCF

About Me

Hello. My name is Kalila Fiona Storey. I am a Third year theatre student, minoring in Textual Practices. I am one quarter of Fold Out Theatre Company, and together we are currently attempting to travel through time.

I spent my first two years at Dartington College of Arts, in a bubble, in the middle of the Devon countryside. An idyllic break from reality. This Summer I moved to Falmouth in order to complete the third year of my degree, and I now live in Penryn.

I have been a Theatre Rep for all three years of my degree. Last year I became Warden of Foxhole halls of Residence, at Dartington. I am also a core member of the Dartington Society, which is an organisation created around the closure of Dartington College of Arts, in order to continue the interdisciplinary nature of our work, and to facilitate events in

order to share work with our peers. We are currently organising our annual Concourse festival, which will take place over the weekend of the 18th, 19th and 20th of March, at the Performance Centre, Tremough. I am a vegetarian. I like tea, birds and kittens.

My Goals

- To promote events so that work can be viewed by our peers in a supportive environment.
- To bring together the Woodlane and Tremough communities.
- To promote our events in the local community, so that our work can be seen by as wide an audience as possible.
- To get involved in goings-on in the local area, in order to form a stronger bond between our student community and the communities in the surrounding areas.
- To promote social activities that improve the wellbeing of the student community and allow students to gain extra experiences and meet new people.

Why Me?

I think I would be perfect for FXU President UCF, as I'm really approachable, am always open to new ideas and want nothing more than to try and make your University experience an even better one! In my position as FXU President UCF you would always be greeted with a smile, a chat, a cup of tea, and maybe even a hobnob or two!

Any questions, queries or just fancy a chat? Contact me:
