

VOTE RICH FOR WELFARE PRESIDENT

Rich Pearson:

Head Mentor, Ambassador, Volunteer, Generally Nice Chap

I've been fortunate enough to live and work within this amazing community for the last three years as part of Falmouth University and the Penryn/Falmouth extended community, studying on the BA Broadcasting course and working for the university in a variety of roles.

WHY VOTE FOR ME?

Here are a few reasons why I'd be the president for you

Social

- Keeping the best of the old whilst embracing the new whilst aiming to produce new events/parties according to the wishes of you the students, making the most of our amazing facilities at the Stannery, Woodlane Bar and in the community.
- Maintaining the distinct spirit of all three institutions that share our campuses; Exeter, Falmouth and Dartington.
- Doing as much to integrate all students into social activities both in freshers week and throughout the year, promoting events and activities to cater for all interests.

Political

- Supporting the NUS and UCU's opposition to further cuts to education in the arts and humanities sectors and further afield.
- Working with all social, political and religious groups within the university to adequately represent all students views and needs.
- Keep UCF and UECC active and a recognised role model of peaceful protest in further demonstrations against education cuts and other issues.

Financial

- Helping students to find work with the university and other institutions.
- Potentially aiming to introduce workshops and seminars from groups like Business Link to help students who want to start up their own businesses.
- Running informal and frequent workshops to help students manage debt and effectively stay on top of their finances.
- Continue to help students to find suitable housing, and defend students rights against unfair council rulings and slack landlords.

Above All

I will listen to student wants and needs and do everything I can to make the student experience and welfare at UCF and UECC the best it possibly can be for each and every person.
